Group Evaluation

Candidate: _____ Period _____ Date _____

Directions - This evaluation form is intended to allow you to discuss member participation freely and openly in your group with minimal interference from Ms. Strong. However, part of the responsibility that comes with such a level of trust is the understanding that each student must be held accountable for her/his own grade. I assume that you will apply the rubric below in a fair and honest fashion where no one's grade is inflated. When you sign your name, you are signing an honor pledge in which you agree not only with your grade, but with that of everyone else's as well.

On my honor, the grade assigned to each group member honestly and accurately reflects the quality of her/his participation.

Group Members (please print)	Campaign Project Responsibilities	% Work Done	All Tasks Completed Yes or No*	Signature of Group Members

*If "no, not all tasks completed," explain in box below.

Should any group member's grade be different (less or more) than the grade given to the whole?
Provide rationale. (Be honest!!! Don't give someone a grade if he/she doesn't deserve it!)
