

CAMPAIGN PROJECT MAKE-UP OPTIONS

Directions: If you are absent for your team's Campaign Project presentation, you must choose one of the options below as a make-up assignment

Option 1: Videotaped Presentation

- You can produce a video-tape of your portion of the presentation in advance. Your teammates can then project it during their presentation.
- No written make up assignment is required for this option as long as your videotape is of equal quality to an actual presentation.

Option 2: Written Make-Up Assignment

- Submit the following by the class after your team's presentation.
- Topic: *You are a speechwriter for an assigned candidate. Write a campaign speech that highlights several key issues. Be sure to include your target audience and the place you will deliver the speech. The speech should be a minimum of two pages double-spaced.*
