

## STAND UP FOR WHAT YOU BELIEVE!

**Strongly Agree**

**Strongly disagree**

### *Personal – Millennial Generation*

1. Technology addiction is a serious problem especially for Millennials.
2. Millennials are the most stressed out generation in American History.
3. As an individual American, I believe I can make a difference in solving difficult problems (political efficacy).
4. Student debt is a serious problem. College student loan debt should be capped or eliminated.
5. I feel very prepared for college based on my experience at AHS.
6. My vote matters in elections.
7. I am optimistic that my generation, the Millennials, will be able to do better than our parent's generation economically.

### *Government and Politics*

8. America will remain the world's greatest military and economic superpower in the 21<sup>st</sup> Century.
9. American politics is broken and politicians no longer represent the vast majority of the American people.
10. The Electoral College should be abolished and the presidential election decided by only the popular vote.
11. We are in a "post-racial America" where racism is no longer an issue.
12. Marijuana use for all purposes should be legal on the federal and state levels.
13. All Americans have equal access to the American dream.
14. Women should be awarded equal pay as men for comparable jobs.
15. Capitol punishment should be abolished.
16. A woman's reproductive rights should be protected in all circumstances (including abortion).
17. Global warming/climate change is a significant problem that must be addressed now.
18. There needs to be greater emphasis on religion in government and politics, including public schools.
19. Overall, the media does an effective and objective job reporting and covering the most important issues.
20. The growing income gap between the have's and have not's, and the shrinking of the middle class is the most important political issue in the 2016 presidential election.
21. State and local governments as well as private businesses should not be allowed to discriminate against those who identify as LGBT.
22. Securing the U.S. borders should be of the highest priority for the federal government.
23. The political process should be reformed to accommodate a viable third party as a legitimate alternative to the two major parties.
24. In 2017, women in America have achieved social, economic and political equality.
